

A Civic Hacking Model

What's A Civic Hackathon?

Community playground

Who Can Host?

Universities
Corporations
Nonprofits
Governments

Why Host?

Empower local community
Support social innovation
Elevate ideas + change lives
Engage with civic technology

Why Do Hackers Attend?

Personal
Scalable Impact

What Does It Cost?

Depends on event goals

Asking These Questions?

How do we get projects?
How do we recruit hackers?
Why don't prizes attract attendees?
How do we set intentional goals?
How do we build latitude?
How do we build diversity?
How do we run the event?

How We Help?

Execution intelligence
Best practices
Building sustainable success

Breathe. We're about to start our climb.
